TREE OF REMEMBRANCE

Every year the Billy Bishop Museum has a tree on display, which is lit up during the month of December as a symbolic way to remember the men and women who served, and continue to serve in the military, in the cause of Peace and Freedom.

Each bulb purchased represents a Veteran for one of the following:

In Tribute To

Sponsor a Veteran from our Hallway of Heroes

This year we will be displaying our Tree of Remembrance on our front verandah and those who purchase a bulb will have their name(s) along with the Veteran(s) name displayed by the tree. The cost of a bulb is \$25.00 per Veteran.

New Exhibit Coming Soon....

December will see the opening of a new and exciting exhibit that is currently being developed and curated in collaboration with local veterans. These very engaged and generous veterans include the Canadian Veteran Freedom Riders Meaford Unit founder Mike Boudrias, military history educator and reenactor Steven Lehman, and Canadian Veteran Freedom Rider Roger Weron. Having worked together for Honouring Our Local Veterans in 2018 and 2019, these community minded veterans offer a unique and personal perspective of their impressive combined 90 years of service. Stay tuned for updates as to when the exhibit will be officially open to you, our lovely public!
